

Online learning protocol – St Augustine Academy

Guidance for Parents and Students

- Students follow their normal timetable for lessons on Zoom
- Zoom links will be posted on to Showbie accounts for students
- The lesson will begin with 15 minutes instruction over Zoom from the class teacher
- The class teacher will take a register during this first 15 minutes
- The teacher will then provide 35 minutes of work for the student to complete offline and upload on to Showbie
- A 10 minute break will follow so that students can complete work, take a short break to refocus and prepare for their next lesson
- Should there be any issues logging in students can contact their year group director of learning:
