Many students also made significant progress during their time at the academy. This progress is based on their results at primary school and measured against their actual grade. Any score which is positive shows significant progress by the student. These high scoring students include:

Sama Salama  
Morgan Mooney  
Tia Homewood  
Bethan Taylor  
Lauren Stammers  
Hannah Styance  
Robert Trimble  
Josh Shiells  
Liam Stockbridge

Please note these results are based on students that attended full time.
