				<p>Social Distancing Aim: To ensure students receive a balanced curriculum and at the same time reduce contacts and maximise distancing between those in school.</p> <p>Staff All staff to adhere to social distancing protocols. (2m) Teacher in the classroom to remain socially distance in taped zone. Teacher assistants may wish to use PPE face coverings and /or screens if working closely with students where social distancing cannot be maintained. Staff reminded the 2m distance rule applies between adults as well as between adults and children.</p> <p>Ventilation</p> <ul style="list-style-type: none"> • Doors to be propped open but to be closed by teachers/cleaners/site team on an evening. Windows open for ventilation. Roof vents opened for continuous circulation. • No exit to be blocked to ensure the door opening does not cause a fire hazard* • Opening windows as reasonable to limit thermal impact but also open windows in between use when unoccupied. (Communicate with staff to ventilate reasonably where possible). • Additional checks on settings of any AHUs and mechanical air systems to maximise use of fresh air and on-off times including during periods when not occupied. • Opening internal doors (Without compromising fire door safety) • Allowing relaxation of dress code to allow additional clothing to offset reduction in temperature. • Windows to be opened more fully during breaks to allow some purging of the air inside any rooms in use. 		<p>maintain 'bubbles' of no more than 30 students and that these bubbles should be maintained throughout the visit)</p> <p>Extracurricular activities All before and after school extra curricular activities can take place from 17th May. Where possible, groups should be kept consistent to reduce mixing of students.</p> <p>Music, Dance, Drama and performances.</p> <p>Careful and consistent groupings as well as social distancing measured must be maintained. Following the guidance around singing, shouting etc and playing instruments must be followed. All performances must adhere to the guidance set out in the "Working safely during COVID 19 in the performing arts" guidance</p> <p>Students Staggered start for different year groups</p> <p>The staggered starts will help with social distancing between year groups and help spread of the number of students using public transport at the same time.</p> <p>Parents can ask for siblings to arrive and leave at the same time, but they still must go to allocated zone.</p> <p>Students to wear full uniform as normal with the understanding with the windows open if it gets cold they may need to wear additional layers including the Academy jumper.</p> <p>Year groups allocated zones in the Academy and to form year group 'bubbles'</p> <p>All classrooms forward facing desks.</p> <p>Different times and zones at break and lunch.</p> <p>Canteen not in use – students encourage to spend breaks outside.</p> <p>Students allowed to eat in their allocated zone but encouraged to spend their breaks outside.</p> <p>Larger bins in place in the classroom</p> <p>Different year group's bubbles allocated different computer rooms.</p>		<p>On-going</p> <p>On-going</p> <p>On-going</p> <p>Pastoral teams Subject leaders</p> <p>On-going</p> <p>SLT duty team</p> <p>On-going</p> <p>On-going</p>

				<p>NHS track and trace Staff informed of the NHS track and trace app and guidance from DFE on its use shared. QR code placed in reception. Students and Staff have been made aware of our local lateral flow test site within the Main Hall in the North block. A separate risk assessment applies, which staff have also been made aware of.</p> <p>PPE From 17th May face coverings will no longer be recommended for pupils in classrooms or communal areas. Face coverings will no longer be recommended for staff in classrooms if social distancing can be maintained.</p> <p>It is recommended that staff wear a face mask when in duty inside and when walking or circulating around a classroom where social distancing is not possible.</p> <p>Face masks are recommended for staff and visitors when moving around in communal areas where social distancing is not possible.</p> <p>Staff are free to choose to continue to wear face mask while teaching and around the site.</p> <p>Additionally PPE should be worn where:</p> <ul style="list-style-type: none"> • Children whose care already involves the use of PPE • If a pupil or member of staff becomes unwell with symptoms (protocol in place – see below) <p>Stock held in school which includes masks, plastic aprons, gloves, face shields</p> <p>Staff to be made aware that they need to use a mask and not just a plastic visors due to their limited effectiveness and recommended use of the guidance.</p> <p>Symptoms of Covid-19</p>	<p>SEND students: ARC students in different year groups allocated different safe areas</p> <p>COVID 19 risk assessments will be provided by all educational centres who have St Augustine Academy dual rolled: MMAP and Kent Health Needs.</p> <p>Staff Tutor bases and most offices too small to meet students. - Staff rooms allocated for student LSU space / small group tuition. - Main hall provided as testing area for mass testing arrangements – see separate risk assessment. New staff room allocated to the build it area in the West block to allow for appropriate social distancing and ventilation.</p> <p><u>Communication to staff to identify any specific risks for any specific role or personal hazards that they believe require individual review and assessment for additional controls.</u></p> <p>Risk assessments for all staff according to each role and for there to be a specific individual risk assessment for any specific risk associated with a member of staff as a result of a particular risk in their role or because of a pre-existing health or other condition. This may include BAME staff</p> <p>Risk assessments of pregnant staff – Regular review of RA for pregnant staff with line manager should take place, and in particular a review of additional risks beyond week 28. All guidance from NHS/government to be followed.</p> <p>Staff protocols have been updated with new social distancing rules. This includes when closer working with SEND students. Staff not adhering to social distancing will be warned and then disciplinary policy will be followed. It is recommended that staff wear face masks in all communal areas and where social distancing cannot be maintained.</p> <p>The CEV group, which refers to those in receipt of letters from NHS/GP since November 2020. CV and CEV groups must follow government and medical professional advice around shielding.</p>	<p>SLT/ Safeguarding</p> <p>Parents Guardians SLT on duty Staff</p>	<p>On-going</p> <p>On-going</p> <p>On-going</p> <p>On-going</p>
--	--	--	--	---	---	---	---

				<p>Protocol in place if anyone becomes unwell with symptoms for both Staff and Students. SLT notified immediately. Child /staff member to go home as soon as possible and advised to get a COVID test, inform the Academy and follow the stay at home guidance whilst they are ill or awaiting test results.</p> <p>If advised that a member of staff or pupil has developed Covid-19 and were recently on our premises then SLT will contact the Public Health Authority to discuss the case, identify people who have been in close contact with them and will take advice on any actions or precautions that should be taken. Trust will be informed on all actions. Emergency COVID 19 test kits available if a family cannot arrange for their child to attend a test centre.</p> <p>Clear messaging around the system of controls on 'prevention' to include not coming to school if a stakeholder has: one or more symptoms of COVID 19, a member of their household, support bubble or child care bubble, have had a positive test or are required to quarantine having recently visited countries outside the common travel area (see guidance).</p> <p>Additional clarity to be provided for stakeholders that they must cease to attend and not attend for at least 10 days from the day after the start of their symptoms, the test date the positive test. Also close contacts who receive a negative test result must still isolate for 10 days.</p> <p>DFE guidance to be followed when families take trips abroad and or one member of the family has been told to self-isolate</p> <p>On site testing to only be used by asymptomatic staff/students. Any staff or student with symptoms should follow national guidance and self-isolate while seeking a PCR test</p> <p>Wellbeing and Welfare Staff: SLT will promote mental health & wellbeing awareness to staff during the Coronavirus outbreak and will offer whatever support they can to help. HR Officer monitoring and recording all absences. All appropriate training up to date. E.g. First Aid Work life balance is continually promoted. Free education support counselling line is available.</p>		<p>In lower tiers – groups must make themselves known to their line manager and request a risk assessment.</p> <p>Any new shielding letters to be returned to local HR lead.</p> <p>All CEV pupils should attend their school unless they are one of the very small number of pupils under paediatric or other specialist care and have been advised by their GP or clinician not to attend. Pupils who live with someone who is CEV should continue to attend school as normal.</p> <p>In addition to the CV and CEV groups, the 2010 Equalities Act defines age, disability, gender reassignment, marriage and civil partnerships, pregnancy and maternity, race, religion or belief, sex, sexual orientation as 'protected characteristics'. In this respect, St Augustine will make staff aware that they are also entitled to an individual risk assessment if they so wish, even if they are outside of the traditional CV or CEV groups, but self-define under the 2010 EQA definitions. For example Race and Ethnicity.</p> <p>Staff and students advised to wear additional layers for warmth if required rather than closing windows or doors. Black fleece jackets with logos provided for staff.</p> <p>Advise on the safe removal and disposal of face masks to be shared. Additional bins specifically for the purpose of removing face masks to be provided. Duty times will place the member of staff in the vicinity of many students. Protocol is to remain 2m apart. If a member of staff is on duty inside they must wear a face mask or face covering in communal areas where social distancing cannot be maintained. New isolation room will be the Chapel. There will be no other use for this space. It will be cleaned after use.</p> <p>*All external workers must complete the COVID 19 questionnaire and the external worker protocol should be followed.</p> <p>Library – students will not receive library lessons but provided with time slots to get/return a library book. Librarian desk fitted with Perspex screens. Protocol for use written.</p> <p>Each year group has a different allocated learning support area to work with a teacher assistant, tutor, or student manager. Pastoral support has changed from a Chapter based to a Year based system. This will provide more focused and intensive support within the year group bubbles, helping to reduce student anxieties', monitor attendance, behaviour and academic performance.</p>	<p>Principal/SLT Line managers/ Teaching staff</p> <p>Business manager/ SLT</p>	<p>On-going</p> <p>On-going</p>
--	--	--	--	---	--	---	---	---------------------------------

				<p>Our safeguarding team now gain supervision support from Jane Bridgeman. Staff and stakeholders identified as being CEV to follow guidance around self-isolation and other health care issues.</p> <p>Pregnancy</p> <p>Guidance to be followed around pregnant staff or pupils are consider CV and in some cases CEV</p> <p>Consideration for women of child bearing age, breast feeding or has given birth in the last 6 months. Including from 28 weeks gestation.</p> <p>The Academy should be made aware via the senior manager of any pregnancy so that a risk assessment can be carried out. Pregnant staff advised to review the government guidance for pregnant females and to review this document https://www.rcog.org.uk/en/guidelines-research-services/guidelines/coronavirus-pregnancy/covid-19-virus-infection-and-pregnancy/</p> <p>All guidance for pregnant employees should be followed. In addition is existing mitigation, a reduction in duties and or movement around the site or flexible working arrangements could be considered in individual circumstances.</p> <p>Parents and students: Regular communication All information published on the website System in place with pastoral teams to stay in contact with individuals who are self-isolating and or may have issues around attending school on return or accessing online learning</p> <p>Health & Safety Checks and procedures continue as normal including fire procedures. Maintaining social distancing for routine maintenance.</p> <p>Testing</p> <p>Separate RA for testing in place. Testing to take place in main hall. Guidance on testing frequency and reporting procedures to be followed</p>			<p>Fire drill new procedure. Walk through year group fire drills with no alarm. If fire alarm sounds all students and staff to leave as per normal.</p> <p>Sports centre not used for hire at the present time</p> <p>Testing (with consent) From the 8th March, staff to be provided with and carry out lateral flow tests at home with result uploaded to the NHS test website and a positive result reported to the Academy, with isolation rules then followed.</p> <p>From the 2nd March all pupils will be offered a lateral flow test at either a KCC run testing site, or a limited booking at SAA testing centre, prior to a return to the Academy. All students will have an opportunity to have a minimum of one lateral flow test and return to the Academy with a negative result. After they have returned they will have a further two lateral flow tests scheduled. Home testing will continue thereafter. Home test kits will be distributed to SAA, who will in turn distribute to students through form times. Clear communication will be provided by SAA to parents/carers.</p> <p>The main hall will remain a base for testing until Easter and then it will be reviewed. After the initial mass lateral flow testing, the onsite testing will reduce to Monday – Thursday for those parents and carers who remain unable to access the KCC run testing facilities.</p> <p>Additional staff, with appropriate training, will be employed to help carry out the initial mass testing.</p>
